Itinerary

■ Day 1 | Lipica, Muggia and arrival in Trieste by sea

The journey begins at the famous **Lipica stud farm** in Slovenia, home of the noble Lipizzaner horses, with a guided visit and a riding-school demonstration. Continue to **Muggia**, a picturesque Italian coastal town, and board a boat for a scenic cruise along the coast, with an atmospheric arrival in Trieste by sea – an unforgettable start to the trip. Transfer to the hotel and check-in. The evening is free for first discoveries of the city. Overnight stay in Trieste.

■ Day 2 | Trieste and treasure hunt

After breakfast, a 2-hour guided city tour (the group is divided into two) reveals the most important sights of this historic Adriatic port city. In the early afternoon, an entertaining experience begins at the Rex Café Gourmet, where participants gather for the briefing of an **interactive treasure hunt**: in teams of up to four (one smartphone per team), guests solve creative challenges at 26 stations across the city to track down the hidden “treasure”. Each participant receives a commemorative certificate, and the three best teams win a small prize. After some free time, the group gathers around 7:00 pm for a farewell dinner. Overnight stay in Trieste.

■ Day 3 | Udine and San Daniele ham tasting

After breakfast, free time to explore the charming centre of **Udine** independently, with its elegant squares, Venetian-style palaces and small boutiques. Continue to **San Daniele del Friuli**, famous for its air-dried ham, for a guided visit of a traditional ham manufacturer and an introduction to the production of the world-renowned Prosciutto di San Daniele. The visit ends with a light lunch and a fine tasting of the ham – fresh egg fettuccine with tomato sauce and ham, a portion of 16-month ham, bread and grissini, with water and wine. Departure.
