Welcome dinner in a modern gourmet bistro where you can taste some delicacies of Roman cuisine revisited in a modern way.

2nd day - After breakfast the guide is ready to start to discover the universe of Eataly-Rome. The temple of taste and Italian cuisine in the world is only a few minutes from the center of Rome. An excellent example of Italian industrial archeology of the early 1900s now houses lots of good things: from the Sicilian cannolo to the extra virgin olive oil of Puglia up to the famous "prosciutto" di S. Daniele and the fragrant Piedmont's truffles. Your senses will be awakened by the aromas and flavors of Italian culinary excellence. Take advantage of the opportunity for a free lunch in one of the Eataly restaurants: your taste buds will thank you. Free afternoon and evening to discover Rome!

3rd day - After breakfast it's time for some history and culture! A tour of the wonders of ancient Rome awaits you and this time your eyes will thank you. A walk through time from the Coliseum to the Roman forums up to the temple of all the gods, the Pantheon. Lunch and afternoon free. In the evening, farewell dinner in a typical "fraschetta" in the heart of Rome. Immersed in the folklore of the most authentic Roman veracity you will have the opportunity to taste some of the typical products of the Roman castles, first of all the "porchetta" as well as cold cuts and cheeses of the territory. Fun and atmosphere are guaranteed for an evening of good taste and joy.

4th day - After a tasty breakfast the time for the departure has already arrived. Check-out and possible free time depending on the flight departure time. Transfer to Rome Fiumicino airport and... Arrivederci Roma!
